ESITE, Jeremiah Tamarankuroemi   jerry4destinychild@yahoo.com   +2347062290287

PROFILE   linkedin.com/in/esite-jeremiah   Warri, Delta State, Nigeria

Motivated, passionate and goal-driven freelance web and mobile app developer; looking for an opportunity to take my career in software development further. My experience range from programming languages and frameworks in frontend and backend development. I have a good understanding in HTML, CSS, Bootstrap, TailwindCSS, Flowbite-React, JavaScript, React.js, React Native, Redux, PHP, Laravel API, Node.js, Express.js, Next.js, Mongoose, MongoDB, Git and GitHub. I am capable of developing and maintaining web as well as mobile applications; working unsupervised alone or in a team.

PROFESSIONAL EXPERIENCE

OncliqSupport | www.oncliqsupport.com | Freelance Full Stack Developer   January 2020 till Date

I work as a freelance web developer to create solutions to problems based on demand from customers. I made use of various web technologies and content management systems to achieve the set goals.
